

Big Brothers Big Sisters of Northeast Florida (BBBSNEFL) seeks to provide children facing adversity with strong and enduring, professionally supported one-to-one relationships that change their lives for the better, forever. By placing a caring adult in the life of a child, BBBSNEFL creates safe, high-quality, long-lasting mentoring relationships that help vulnerable youth beat the odds and reach their full potential through personal and academic achievement. Working within the communities of Northeast Florida for over a century, BBBSNEFL has effectively changed the lives of thousands through impactful mentoring programs and meaningful relationships.

With your investment, we can look forward to having better schools, stronger communities, and brighter futures for all through mentoring - all leading to greater community prosperity. Through the collaboration of donors, community partners, and staff, we aim to defend, ignite, and inspire the potential within our youth, clearing the pathways to their best possible future. You will truly make a difference! We hope you will consider becoming an agency sponsor of BBBSNEFL to support our mission throughout the upcoming year.
