Through collaboration with schools and community organizations, we identify youth who need or want a mentor. By placing a caring adult in the life of a child, Big Brothers Big Sisters creates safe, high-quality, long-lasting mentoring relationships that help vulnerable youth change the odds and reach their full potential through personal and academic achievement. Professionally supported by our staff, individual road-maps for success are developed in concert with parents, children, and mentors.

STATMENT FROM CEO

I am filled with gratitude for the many ways our mentoring village stepped up to empower our community's youth through mentorship and linkage with critical resources during the past year. Efforts to ensure our youth not only stayed connected, but stayed inspired, were truly amazing. Additionally, in partnership with our Board our agency worked diligently the past three years on sustainability. Our positive financial position absolutely informed our agility as we navigated another year impacted by COVID. Diversified funding and successful fundraisers have proven critical to this strategy and our sustainability. Thank you for your support and for proving time and time again, that in Northeast Florida, mentoring matters— Sara Alford, CEO
